

Hello,

I hope your week is going well. I wanted to reach out as we have been working to develop reopening plans for each facility. As you saw earlier this week, Tri Delta Housing released our initial COVID-19 [Housing Safety Plans](#). Tri Delta Housing will be providing further guidance in early July based on CDC guidelines for congregate housing.

As we develop plans for reopening, we also recognize that each house has specific needs to consider as we plan to have residents safely return this fall. Similar to how we planned and executed move-out, we want to create a re-opening planning committee. Based on your leadership role, we would like to invite you to be part of this committee. The purpose of this committee will be to review and utilize upcoming resources published by Tri Delta Housing, develop plans specific to your house, communicate with members, and provide ongoing support to residents and non-residents of your chapter. Tri Delta Housing will be providing additional resources and support to this committee throughout the course of the summer to accomplish these tasks.

Your house director and I have been in regular communication to start planning for the fall. We're closely monitoring your University plans and we've started to stock up on supplies. We will continue to do so between now and when our committee first gathers. In the meantime, I'd love to ask you to familiar yourself with these resources:

[CDC guidance for congregate housing](#)

[CDC guidance for cleaning and disinfecting your facility](#)

[MJ Insurance COVID-19 Response page](#)

[CSL Management's 90-day facility readiness road map](#)

We know this will be a team effort and are so grateful to have your understanding and flexibility! We plan to be extra agile and share kindness as we partner together and support our members in every way possible. We appreciate your time with these efforts and I look forward to connecting with you soon.

Best,

Tri Delta Housing Property Manager
